

The Papillion Garden Club met on 11-8-22. We had 32 members attend the meeting and 2 guests. Kathy Cedillo, Secretary, called to order the meeting at 7pm and welcomed everyone. Anyone with birthdays in October and November had cards at the back of the room to pick up. Sandi Gables, President, and Cathy Bartunek, Vice President, did not attend the meeting as they were at the polling sites working.

Judy Liberty, Treasurer, introduced our speaker, Anna Johansen from Canoyers. She talked about "How to care for houseplants in the fall and winter". She gave us a couple of handouts regarding plant care and a holiday plant care guide.

We then had treats & drink, which were good as usual!

Kathy Cedillo, Secretary, started our meeting with Unfinished Business. She informed everyone that we did get a committee together to decorate a tree for the Junior Women's Club Celebration of Trees at the Polish Home on November 18 and November 19. Our tree will be decorated by Kathy Cedillo, Karen Keller, Sheri Harrow, Deb Busch and Melissa Murphy. Judy Liberty, Treasurer, then asked Kathy Bokelman to report on the Nominating Committee. She said that they did get four people to agree to be on the executive committee for 2024. They are President: Kathy Cedillo, VP: John & Caroline Peterson, Secretary: Tracy Allgood, and Treasurer: Judy Liberty. The club voted to accept all these people into office for 2024. Kathy Cedillo then told everyone that Nancy Zaraya & herself pulled all the dead annuals out of the Blue Star Memorial Garden, so done with it for the year. She thanked everyone that helped water and weed it this year. Joyce Stranglen passed around a sign-up sheet for next year bringing treats each month. Judy Liberty, Treasurer, then let everyone know about the Christmas potluck on 12-13-22, bring a delicious food dish to share and a raffle item. Judy Liberty, Treasurer, gave the treasurer report. She asked for two people to volunteer to audit the books in January 2024. Joyce Stranglen and Jackie Mach volunteered to do this. We gathered name tags and drew for a raffle give away. A couple of the members brought garden books and magazines to give away, plus iris bulbs. The meeting ended at 8:30pm and we thanked everyone for coming.
